P R E F A C E

This record has been prepared to set down for posterity our knowledge and findings relative to the descendants of Jacob Herbst. No great effort has been put forth to search for the ancestors of Jacob Herbst.

We have had numerous communications with the cousins residing in the west to whom we are much indebted for their interest and cooperation. We owe sincere thanks to all who in any way contributed information.

In all probability there are errors and omissions herein for which we beg your indulgence. We shall be happy to receive notice of errors or additional data of interest pertaining to this work.
